Wendy Johnson, Chief Administrative Officer  
Town of Grimshaw  
P.O. Box 377  
Grimshaw, Alberta  
T0H 1W0

Dear Ms. Johnson:

Re: Annual Reporting

Another year has flown by and environmental stewardship continues to gain momentum at all levels. Last spring Recycle Plus took the initiative to form a task force with the City of Grande Prairie and the County of Grande Prairie along with the Peace River Regional District in addressing the recycling needs of the region as a whole. Well into the project, the dynamics changed when a new recycling company was invited to do business in the City of Grande Prairie.

The addition of this new competitor to the marketplace has seen the sudden growth of existing waste haulers expand their recycling services. As a result, the task force wound up its activities making the decision to let the private sector do what it does best, compete and provide service at the best possible price. The work done by the task force was not wasted and contained valuable information that will now be incorporated into the South Peace Regional Waste Study being led by the County of Grande Prairie.

Recycle Plus has been working for some time on securing additional contracts that provide a greater diversity to our business. We are pleased to report that as at the end of this month we will be taking on a new project that will begin to replace lost revenue due to competition. Additionally, in the fall of 2010 we had the good fortune of purchasing one our competitors recycling programs. We were able to meld this into our existing operations without any additional overhead or operating costs. We will continue to look for opportunities to diversify and replace lost revenues and provide employment to persons with developmental disabilities.

Please find enclosed statistical data that details collection and volume details for the year 2010. Please do not hesitate to call if you have any questions or concerns. We would like to take this opportunity to thank your municipality for your continuing support in our mission and wish you all the Best in Year 2011.

Sincerely,

Brenda Smith  
Director of Business Services
